Dear Premier Campbell

RE: Bill 30, Resource Road Act.

We strongly oppose the subject Bill.

We enjoy the use of BC's resource road network. As such we fear that the passage of this Bill will result in the establishment of many more gates and the deactivation of roads.

We trust that you will withdraw this Bill pending a meaningful consultation with user groups. The replacement Bill should clearly provide for the historic enjoyment of resource roads by the general public.

Yours Sincerely,
